

Go Green

D.60 club rescue program

Helping clubs with low membership challenges get back to full strength.

Red Clubs: Membership of 12 or less

Amber Clubs: Membership of 13 – 16

The objective is to help the Red and Amber Clubs to... **Go Green**..... and come back to full strength membership and fulfil the requirements necessary to reach Distinguished Club status or better.

The Red Clubs can be assigned a Club Coach

The Amber Clubs can be assigned a Growth Coach

For those experienced Toastmasters who are willing to assist their fellow Toastmasters and serve in the position of Growth Coach, the District will supply a **High Performance Leadership** package which can be used in bringing the Amber Club back to full strength membership and fulfill the requirements necessary to reach Distinguished Club status or better.

The positions of Club Coach and Growth Coach will frequently be of interest to those who are working towards their **Advanced Leader Silver** designation.

All members who are successful as either a Club Coach or Growth Coach will receive an “**Outstanding Member**” certificate and an “**Outstanding Member**” pin.
